

Shark Reef Aquarium

Aquatic Medicine Seminar 2012
Mandalay Bay Resort and Casino
February 17th, 18th, and 19th

Didn't make it for 2011? Here's what you'll get in 2012...

Two jam-packed days of presentations by leading professionals in the aquatic animal care field, an interactive wet-lab including diagnostic and microscopic exam techniques, a cocktail mixer in the lush gardens of the Mirage Dolphin Habitat, all taking place in one of the most exciting cities in the world - Las Vegas!

Attendance for the "wet lab" is limited to 30 participants based on early registration.
