# Advanced Fracture Repair

September 22-24**, 2019 | Oquendo Center**

Subject to change.

| **Day 1: Sunday September 22, 2019** | | **Speaker** |
|---|---|---|
| **Time** | **Topic** | |
| 8:00a | Welcome and Course Objectives | Beale |
| 8:05a | Direct and indirect fracture reduction- a review | Beale |
| 8:30a | Lateral humeral condyle fractures and surgical approach | Beale |
| 9:00a | **Laboratory 1** Direct reduction lateral humeral condyle fracture plastic bone, cadaver - HCS, lag screws | |
| 11:00a | Mid and distal humeral shaft fractures and surgical approach | Hudson |
| 12:00p | Working Lunch Discussion | |
| 12:30p | **Laboratory 2** Indirect reduction humeral shaft fracture cadaver – plate-rod or double plate | |
| 3:00p | Proximal ulnar fractures | Hudson |
| 3:30p | **Laboratory 3** Proximal ulnar fracture cadaver, bone plate | |
| 5:15p | Discussion | |
| 6:00p | End of Day | |

| **Day 2: Monday September 23, 2019** | | |
|---|---|---|
| **Time** | **Topic** | |
| 8:00a | **Radiographic review** – humeral and ulnar fractures | Hudson |
| 9:00a | Proximal femur fractures, FHO | Beale |
| 9:45a | **Laboratory 4** FHO and Direct reduction femoral neck fracture plastic bone, cadaver, pins, HCS | |
| 12:00p | Working Lunch Discussion | |
| 12:30p | Sub-trochanteric femur fracture | Hudson |
| 1:00p | **Laboratory 5** Sub-trochanteric femur fracture cadaver, plate-rod | |
| 2:45p | Ilial fractures | Beale |
| 3:15p | **Laboratory 6** Direct reduction ilial fracture cadaver, bone plate | |
| 5:15p | Sacroiliac luxation | Hudson |
| 5:45p | End of Day | |

| **Day 3: Tuesday September 24, 2019** | | |
|---|---|---|
| **Time** | **Topic** | |
| 7:45a | **Radiographic review** – femur and ilial fractures | Beale |
| 8:30a | Acetabular fractures | Hudson |

| | |
|---|---|
| 9:00a | **Laboratory 7** SI luxation<br>cadaver, lag screw |
| 10:00a | **Laboratory 8** Direct reduction acetabular fracture<br>cadaver, bone plate |
| 12:00p | End of Day |
