

CLINICAL SKILLS TRAINING

NOVEMBER 5-7, 2018

Day 1 | Monday, November 5, 2018

Welcome by Dr. Pease

Kickoff speaker: Dr. Hilton – The Importance of Building
Your “Specialty” in Your Practice

Dr. Weinstein will instruct the full group utilizing lecture and workshop techniques

Day 2 | Tuesday, November 6, 2018

Students will be divided into two groups and will spend a full day in the disciplines of Cardiology and Soft Tissue Surgery.

The meeting will close with a roundtable discussion moderated by Dr. Pease or Dr. Hilton. This session will allow attendees to ask questions and plan their course for becoming a “stand-out” veterinarian.

Day 3 | Wednesday, November 7, 2018

Dr. Weinstein will be available for individual consultations with attendees.

*Schedule subject to change
