Viticus Group Honors Continuing Educators of the Year

Congratulations to the 2020 Continuing Educators of the Year, recognized for their outstanding contribution to the 2020 WVC Annual Conference.

LAS VEGAS, NEVADA (April 13, 2020)—Seven exceptional educators were chosen among the many speakers at the WVC Annual Conference in Las Vegas, Nevada, on February 16-19, 2020 as Continuing Educators of the Year. At this leading veterinary conference powered by [Viticus Group](#), participants select the conference presenters they feel are superior in their ability to deliver information with insight, accuracy, depth, and openness.

We recognize and honor the following 2020 Continuing Educators of the Year:

Olivia Petritz, DVM, DACZM

Lori Bidwell, DVM, CVA, DACVAA

Daniel Thomson, DVM, MS, PhD

Louise Dunn

Karen Tobias, DVM, MS, DACVS

Harold Davis, BA, RVT, VTS (Emergency & Critical Care)

Howard Seim, III, DVM, DACVS

Avian & Exotics

Equine

Food Animal

Practice Management

Small Animal

Veterinary Technician

Hands-on

We also recognize and appreciate the 2020 Moderators of the Year:

Meghan Burns, DVM

Emma Gebhardt, DVM

"We are indebted to the amazing educators who commit their time, talent, and efforts to furthering important knowledge in the veterinary profession," says Viticus Group CEO Andrea Davis. "We thank and congratulate these respected professionals who contribute to the success of the WVC Annual Conference and the veterinary industry. They make learning such a positive experience for veterinary professionals in every category."

About Viticus Group

As new discoveries and powerful innovations alter the world of animal and human health, Viticus Group (formerly WVC) is the leading provider of world-class programming and in-depth learning opportunities for veterinary and human health professionals. The Viticus Center offers state-of-the-art education at two cutting-edge technology facilities, presenting a variety of continuing education courses and providing access to specialized training for both veterinary and human health professionals. Our WVC Annual Conference serves as the veterinary profession's premier gathering for innovative education and an opportunity to engage with other industry professionals seeking growth. Bringing together life and medicine in Viticus, we envision a future where all medical professionals have access to year-round, hands-on training for a one-of-a-kind experience.
